Front: Using smaller needles and MC yarn, cast on 82(92-102-112) sts and work in k1, p1 ribbing for 3" [7.5 cm]. Change to larger needles and beg with a k row, proceed to follow Graph in St st - one row k, one row p. Work design in "Colored Pattern" knitting method, using small balls of contrast colors for each section of the design. Remember always to cross yarns when changing colors to avoid leaving a hole in the knitting. Place markers at each end of row for sleeve placement as indicated. Place center front sts on st holder for neckband and dec for neck as indicated. Cast off on last row.

Back: Work as for Front in MC yarn only, omitting front neck shaping. Place center back sts on st holder for neckband and dec for neck as indicated. Cast off on last row.

Sleeves: Using smaller needles and MC yarn, cast on 44(44-50-50) sts and work in ribbing as for Front, but inc 4 sts evenly across last rib row - 48(48-54-54) sts. Change to larger needles and beg with a k row, work in St st, inc one st at each end of the 5th, then every 4th row following until there are 86(86-92-92) sts on the needle. Work even until sleeve measures 19(19-20-20)" [48.5(48.5-51-51) cm] from beg. Cast off.

Sew left shoulder seam.

Neckband: Using smaller needles and MC yarn, with right side facing, pick up and k one st down right side of back neck, k sts from back st holder, pick up and k one st up left side of back neck, pick up and k 12(12-14-14) sts down left side of front neck, k sts from front st holder, pick up and k 12(12-14-14) sts up right side of front neck - 90(90-100-100) sts. How to Work Design

COLORED PATTERN KNITTING: This method is used for large areas of each color and background, using separate small balls for each area. Work required number of sts, drop color in use to be picked up on next row, bring new color under and over last color, thus avoiding a hole in the knitting.

Note: Instructions are given for the smallest size and for remaining sizes in the brackets following. Where only one set of instructions is given, this will apply to all sizes. Every square on the graph represents a stitch. Changes in color and texture are shown by different symbols. Follow graph from right to left for knit rows and from left to right for purl rows. When graph shows an extra square, increase one stitch, one square less, decrease one stitch. Decreases of more than one stitch must be cast off at the beginning of the row. Stitches are either knitted or purled as they are cast off, this will account for one row of squares. Ribbing is not included on the graph but is explained in the instructions.
